

borough of
BELLEFONTE

If you think you have a skunk living on your property, please contact the Bellefonte Borough at 355-1501.

PLEASE HELP THE BOROUGH'S SKUNK CONTROL EFFORT BY:

Skunks are creatures of opportunity. If you have a skunk problem on or near your property, it is likely there is someone providing them a food source;

Avoid composting, but if you must compost, be sure to use a secure bin;

STOP FEEDING cats outside!

Make sure your trash can contains a lid that will stay secure if tipped over;

DO NOT leave scraps of food on an open BBQ grill;

Bird Feeders attract skunks;

Remove fallen fruit from your lawn;

Eliminate grubs and cutworms from your lawn;

Eliminate snails and slugs from your garden;

Remove rock piles or wood piles. Cut any tall grass or weeds.

For more detailed information, please Google "skunks" or "skunk removal" or contact the Bellefonte Borough at 355-1501. Your help will go a long way in helping with this effort.
