Charming. Beautiful. Unique. All words used to describe Talleyrand Park. Talleyrand is one of the region's most visited parks and covers 3.5 acres. Founded in 1974, the all-volunteer Talleyrand Park Committee continues to improve and maintain the park, collaborating with the Borough of Bellefonte and the Bellefonte Garden Club, while focusing on Bellefonte's Victorian heritage and cultural richness.

Purchasing an engraved brick will help support the Talleyrand Park Committee's ongoing improvements. Your brick—personalized with the name and message selected for yourself or loved one—will be part of Talleyrand's ongoing history.

- Create a permanent place in the community for yourself, your children or grandchildren
- Promote your business and show community support
- Memorialize a lost loved one
- Honor a soldier or serviceperson

Funds raised during this event will be used to support future improvements to Talleyrand Park. Bricks to be installed near waterfall viewing area, behind the gazebo.

(Donations for bricks are tax deductible to the extent allowed by law.)
