CONCEPTUAL REVIEW: This is the first phase of a three-phase review process for new construction (infill and additions) and large projects in the Borough of Bellefonte Historic District. The phase reviews the height, scale, mass, and 3-dimensional form of the proposed project, and the general architectural direction and quality of the project as it relates to its site, its neighborhood, and the Historic District. A pre-design conference with the Preservation Officer may be required prior to application for Conceptual Review.

SUBMITTAL CHECK LIST: A Conceptual Review application is considered complete when accompanied by all of the below information

- Completed application form
- The following materials in digital format via email to boro@bellefontepa.gov or on a flash drive
 - Current (taken within the last 6 months) photographs of:
 - Existing structure or site from all public rights-of-way
 - Photographs of the site's surroundings sufficient to explain context. This includes, but is not limited to buildings, signs, blocks, and site features.
 - Site plan, to scale, depicting (8 full sized hard copies & 1 digital copy):
 - Proposed layout of all structures (including north arrow, property lines and adjacent streets)
 - Proposed layout of all driveways, walkways, parking areas, entrance and exit drives, loading areas, walls, gates, mechanical equipment, etc.
 - Existing building(s) adjacent to the property
 - Any demolition of existing site features
 - The ground floor plan and how it relates to the site
 - Architectural drawings, to scale, depicting (8 full sized hard copies & 1 digital copy):
 - Building elevations (including general notations regarding materials and dimensions)
 - Floor plans
 - Where an addition to an existing building is proposed, provide existing plans and elevations noting any removal or alteration of existing building elements
 - For new construction, provide a streetscape elevation, drawn to scale, of buildings adjacent to and across the street from the site. The proposed new construction must be included in the streetscape for comparison.
 - Initial submittals should show existing and proposed conditions. For all subsequent submittals, architectural drawings should show existing conditions, the previous proposal, and the current proposal on the same page, side-by-side for comparison.**
 - Color renderings and/or three-dimensional drawings (for significant projects and as requested)
