Dear Bellefonte Borough Council,

Thank you for your continued collaboration and support of Downtown Bellefonte Inc.'s events.

We are seeking approval to hold, once again, the Bellefonte Under the Lights: Winter Market during and following the Victorian Christmas events on Saturday, December 11, from 4 to 8 p.m. in Talleyrand Park.

Bellefonte businesses as well as other artisans, makers, craft beverage and food providers will be invited to set up on the brick walkways throughout the park, "Under the Lights". If there are food providers that have a food truck we would like to have them setup at the high street bridge.

Thank you for your consideration,

Jennilyn Schuster

Main Street Manager, Downtown Bellefonte Inc.
