

Office of Community Affairs Design Professional Resource List*

This list of contractors is provided for the public's convenience by the Office of Community Affairs (Zoning, Planning, HARB). Inclusion in this list does not constitute endorsement by Bellefonte Borough, nor does it guarantee that any work carried out by persons on this list will be recommended for approval by the Bellefonte HARB. Before engaging the services of any contractor, it is always advisable to receive at least three bids, and contact references named by the contractor, particularly those people for whom a contractor has worked. Inquiring about the nature of the project and the quality and timeliness of the work performed may provide an indication of a contractor's ability of successfully completing your project.

If you have any questions or would like to add your services to this list, please contact Gina Thompson, HARB, Zoning & Planning Administrator for Bellefonte Borough, at (814) 355-1501 ext. 216 and gthompson@bellefontepa.gov.
