Company providing dumpster:	Name of contractor doing the work:
Phone Number of contractor:	Email of contractor/company:
Description of work being done:	
Reserved Dates for dumpster:	

☐ **I have applied for and received all other required permits for the work including, but not limited to, a Zoning Permit, a Certificate of Appropriateness for exterior projects in the Historic District, and/or a Building Permit.**

The above owner, having made application for permission to place a roll-off container, dumpster, etc., at the above address, is hereby granted this permit to proceed with said work. Owner hereby understands any dumpster placed on a public right-of-way **shall not exceed 8' in width and not take up more than one parking space***. Dumpster must be marked with reflective material on the end facing the direction of traffic and have at least one orange market cone positioned at corner facing toward the direction of traffic. This permit is only good for 30 days. **The permit automatically expires after 30 days.** The permit process will start over at that point. You will need to reapply, be approved again by the Chief of Police & pay the fee for an additional 30 days.
