§ 530-41-B Temporary RV parking permit terms and conditions.

(1) The purpose of authorizing issuance of temporary recreational vehicle parking permits is to allow an out-of-town visitor who owns a recreational vehicle to park on a street directly in front of (or on the side of the property if it is a corner lot) the residence or in the front yard area to which the out-of-town visitor is visiting for a limited time period, in order to provide flexibility in administration, as deemed appropriate by the Chief of Police, or his/her designee.

(2) This permit is issued to the undersigned only for their sole use. The permit is nontransferable. Parking permits must be properly displayed at all times in the lower driver's side of the windshield or nearest window of the RV for which it has been issued so that it is clearly visible from the exterior of the vehicle. Permits shall be displayed on the side of the RV for which it has been issued so that it is visible from the street, which is usually the left side. Failure to properly display temporary permits could subject the vehicle to citation and/or towing.

(3) The Borough reserves the right to revoke the permit when, in the sole opinion of the Borough, the permit is being misused by the applicant.

(4) Parking of an RV on a street beyond the dates listed on the permit is prohibited and may result in fines and the recreational vehicle being towed at the owner's expense. Temporary exceptions may be made by obtaining authorization from the Bellefonte Police Department.
