Comments:

With graduation, and other larger events being held in June, this month was pretty busy for the town and the Department. To add to the additional traffic activity in town, the Borough Street Crew continued their painting lines on the Borough's roadways. This creates a bit of a safety issue for pedestrians and our public works employees doing the actual road work. Our officers are aware of such hazards and patrol accordingly for safety purposes. To add to that, the crosswalks in the downtown were overhauled just days prior to the Cruise, creating more congestion/traffic hazards. We report that there were NO pedestrian or vehicle accidents during this time.
