DEPARTMENT NOTES:

The month of March was quite busy for the Department. As you can tell from the accompanying statistics, arrests have been up. We also have had a higher than usual number of incidents and arrest involving mental health and substance abuse.

Our Department has operated short-staffed for the entire month of March. The Department is currently without a part-time officer. There was also a full-time officer out with an injury which required surgery and a period of recovery.

Covering shifts with an adequate amount of officers was challenging. Even more challenging was covering these shifts without a high amount of overtime. This circumstance was overcome by utilizing the Chief and the Detective into a patrol role, then moving daylight officers to cover night shift shortages. Many Thanks to our scheduling officer for doing an outstanding job with March's schedule.

Also, adding we had one particular serious event that required the entire daylight staff, 3 officers from Spring Township and a Detective with the Centre County DA's office to bring the incident to a safe conclusion.
