#### **Budget Message**

The 1999 Budget is presented as a balanced budget. As had been decided earlier, I have raised real estate taxes by one full mill. This was necessary to replace the loss of occupational assessment taxes (\$50,000) resulting from the County Commissioner's decision to value all parcels at zero. The remainder (approximately \$40,000 in new taxes) will be divided between each fire company to offset the cost of acquiring updated fire apparatus.

The only other fund in trouble is the Water Fund which is slowly recovering as I reduce costs to be offset by the sale of water to AquaPenn and Milesburg. In time, I believe we can get this fund back in the black. I have not proposed a rate increase for water, sewer or refuse. All other funds are operating in good shape.

For your information:

Our assessed value in 1998 has risen slightly from 1997 @ \$89,911,670 to \$90,184,505.

One mill of tax is now worth \$90,185.00.

We have 1,979 taxable parcels in the Borough which means the average assessed property value is \$45,570. The new approximately one-half mill of tax will cost the average homeowner \$22.78 a year.

Note: The courts overturned the County's decision reinstating the occupational assessment tax.

<sup>\*</sup> The Water Fund could only pay one quarterly transfer in 1997 as the fund was still in arrears for 1996 payments as well. I've converted this obligation into a loan as the Water Fund is still in trouble.
