CENTRE COUNTY

RESIDENTIAL ANTI-DISPLACEMENT AND RELOCATION ASSISTANCE PLAN

It is the intent of the Centre County Board of Commissioners to undertake projects that do not result in the displacement of residents, businesses, or farms. Centre County is, however, required by the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and Section 104(d) of the Housing and Community Development (HCD) Act, to make available the following should any displacement occur:

- Relocation Assistance and Property Acquisition in accordance with 24 CFR 42 and 49 CFR 24.
- One for one replacement of units as required by 24 CFR 42.

DEFINITIONS

Comparable replacement dwelling unit: (a) a dwelling unit that meets the criteria of 49 CFR 24; and (b) is available at a monthly cost for rent, plus estimated average monthly utility costs, that does not exceed the "Total Tenant Payment" as determined under 24 CFR §5.628 after taking into account any rental assistance the household would receive.

Low- and moderate-income dwelling unit: a dwelling unit with a market rent, including utility costs, that does not exceed the applicable Fair Market Rent for existing housing established under 24 CFR Part 888, except that the term does not include a unit that is owned and occupied by the same person before and after the assisted rehabilitation.

Standard Condition: a dwelling unit that meets all local housing codes, or if there are no local housing codes, meets all housing quality standards of the Section 8 Existing Housing Programs.

Substandard condition suitable for rehabilitation: a dwelling unit that will have a fair market value, after rehabilitation, greater than the cost of rehabilitation to make the unit standard.

Vacant Occupiable Dwelling Unit: a vacant dwelling unit that is in standard condition; a vacant dwelling unit that is in substandard condition but is suitable for rehabilitation; or a dwelling unit in any condition that has been occupied (except by a squatter) at any time within the period beginning three (3) months before the date of the execution of the agreement by the Centre County Board of Commissioners covering the rehabilitation or demolition.

RELOCATION ASSISTANCE FOR DISPLACED PERSONS

Persons meeting the definition of a displaced person in accordance with 49 CFR Part 24 that are displaced by demolition or conversion of an occupied or vacant occupiable unit utilizing CDBG or HOME funds must be provided with relocation assistance. Displaced persons may elect to receive assistance in

accordance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, or assistance under the Section 104(d) regulations. The Section 104(d) regulations related to relocation assistance for a displaced person are as follows:

1. Advisory services at the level described in 49 CFR Part 24, subpart C. Centre County Board of Commissioners shall advise tenants of their rights under the Fair Housing and of replacement housing opportunities in such a manner that, to the extent feasible, they will have a choice between relocating within their neighborhood or other neighborhoods consistent with the Centre County's responsibility to affirmatively further fair housing.
2. Payment for moving expenses at the levels described in 49 CFR Part 24, subpart D.
3. The reasonable and necessary cost of any security deposit required to rent the replacement dwelling unit, and for credit checks required to rent or purchase the replacement dwelling unit.

Each displaced person must be offered rental assistance equal to sixty (60) times the amount necessary to reduce the monthly rent and estimated average monthly cost of utilities for a replacement dwelling up to amount of the "Total Tenant Payment" as determined by 24 CFR §5.628. Under 24 CFR §5.628, the higher of the following values must be used:

1. Thirty (30) percent of the family's monthly adjusted income;
2. Ten (10) percent of the family' monthly income;
3. If the family is receiving a payment a payment for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of those payments which is so designated.

All or a portion of this assistance may be offered through a certificate or housing voucher for rental assistance.

If the displaced person purchases an interest in a housing cooperative or mutual housing association and occupies a decent, safe, and sanitary dwelling in the cooperative or association, the person may elect to receive a lump sum payment. This lump sum payment shall be equal to the capitalized value of sixty (60) monthly installments of the amount that is obtained by subtracting the "Total Tenant Payment," as determined under 24 CFR §5.628, from the monthly rent and estimated average monthly cost of utilities at a comparable replacement dwelling unit. To compute the capitalized value, the installments shall be discounted at the rate of interest paid on passbook savings deposit by a federally insured bank or savings and loan institution conducting business within Centre County's jurisdiction. To the extent necessary to minimize hardships to the displaced person, the Centre County Board of Commissioners shall, subject to appropriate safeguards, issue a payment in advance of the purchase of the interest in the housing cooperative or mutual housing association.

Displaced low- and moderate-income tenants shall be advised of their right to elect relocation assistance pursuant to the Uniform Relocation regulations appearing at 49 CFR Part 24 as an alternative to the relocation assistance herein described.

TEMPORARY RELOCATION

In the instance of the need for persons to be temporarily relocated as a result of CDBG or HOME-funded project, the Centre County Board of Commissioners shall reimburse a displaced person for actual

reasonable out-of-pocket costs incurred in connection with the temporary relocation, including moving expenses and increased housing costs, if:

- a. The person must relocate temporarily because continued occupancy of the dwelling unit constitutes a substantial danger to the health and safety of the person or the public; or
- b. The person is displaced from a low- and moderate-income dwelling unit, none of the available replacement dwelling units qualifies as a low- and moderate-income dwelling unit, and a suitable low- and moderate-income dwelling unit is scheduled to become available.

REPLACEMENT OF LOW- AND MODERATE-INCOME DWELLING UNITS

The Centre County Board of Commissioners will replace all occupied and vacant occupiable low- and moderate-income dwelling units demolished or converted to a use other than as low- and moderate-income housing as a direct result of activities assisted with funds provided under the Housing and Community Development Act of 1974, as amended, as described in 24 CFR 42.375.

The following defines the characteristics of acceptable replacement units:

1. The unit(s) must be located within Centre County's jurisdiction. To the extent feasible and consistent with other statutory priorities, the units shall be located within the same neighborhood as the units replaced.
2. The units must be sufficient in number and size to house no fewer than the number of occupants who could have been housed in the units that are demolished or converted. The number of occupants who could have been housed in units shall be determined in accordance with applicable local housing occupancy codes. The Centre County Board of Commissioners may not replace those units with smaller units, unless the recipient has provided the information required under 24 CFR 42.375(c)(7) and listed below.
3. The units must be provided in standard condition. Replacement lower income dwelling units may include units that have been raised to standard from substandard condition if
 - a. No person was displaced from the unit, per the definition of a displaced person in 24 CFR 42.305; and
 - b. The unit was vacant for at least three months before execution of the agreement between the Centre County Board of Commissioners and the property owner.
4. Units must initially be made available for occupancy within three (3) years of the start of demolition or conversion.
5. The units must be designated to remain lower income dwelling units for at least 10 years from the date of initial occupancy. Replacement lower income dwelling units may include, but are not limited to, public housing or existing housing receiving Section 8 assistance.

Before obligating or expending CDBG or HOME funds that will result in the demolition or conversion of occupied or vacant occupiable low- and moderate-income units, Centre County Board of Commissioners must make public and submit the following information to the Pennsylvania Department of Community and Economic Development:

1. A description of the proposed assisted activity;

2. The location on a map and number of dwelling units by size (number of bedrooms) that will be demolished or converted to a use other than for lower-income dwelling units as a direct result of the assisted activity;
3. A time schedule for the commencement and completion of the demolition or conversion;
4. The location on a map and the number of dwelling units by size (number of bedrooms) that will be replaced;
5. The source of funding and a time schedule for the provision of replacement dwelling units;
6. The basis for concluding that each replacement dwelling unit will remain a lower-income dwelling unit for at least 10 years from the date of initial occupancy; and
7. Information demonstrating that any proposed replacement of dwelling units with smaller dwelling units is consistent with the housing needs of lower-income households in the jurisdiction.

The one-for-one replacement requirement does not apply to the extent that, in accordance with the procedures outlined in 24 CFR 42, and based on objective data, that there is an adequate supply of vacant lower-income dwelling units in standard condition available on a non-discriminatory basis within the area. Simultaneously with the submission of the request to the Department of Community and Economic Development or HUD if direct entitlement, the Centre County Board of Commissioners must make the submission of such request public and inform interested parties of the 30-day deadline to provide the Commonwealth with additional information that supports or opposes the request. If the Commonwealth, after considering the submission and the additional data agrees with the request, the Commonwealth will provide such recommendation in writing.

APPEALS

A person who disagrees with Centre County's determination concerning whether the person qualifies as a displaced person, or the person's eligibility for, or the amount of, a relocation payment, may file a written appeal of that determination with the Centre County Board of Commissioners. Any aggrieved person who believes that the Centre County Board of Commissioners has failed to properly consider the person's application for assistance, which may include but not be limited to, the person's eligibility for, or the amount of, a payment under 49 CFR 24.106 or 49 CFR 24.107 or a relocation payment required under this Plan may submit an appeal. The Centre County Board of Commissioners shall confirm a written appeal regardless of the form in which the appeal is made. Appeals must be filed within sixty (60) days after the person receives written notification of Centre County's determination on the person's claim.

In addition, a low- or moderate-income person that has been displaced from a dwelling may file a written request for review of the Centre County Board of Commissioner's decision to the Department of Housing and Urban Development at:

504 ANNUAL REVIEW

In an effort to improve accessibility to Centre County's facilities and programs, Centre County has designated *Leslie Hosterman at SEDA-Council of Governments (SEDA-COG), 201 Furnace Road, Lewisburg, PA 17837, (570) 524-4491, or 1-800-332-6701* as regular point of contact to accept and manage public grievances. As part of each year's Community Development Block Grant (CDBG) application, Centre County will also solicit public input on accessibility by specifically completing the following two tasks:

1. Centre County will include the following language in public hearing notices that invite citizens who have special accessibility needs to alert SEDA-Council of Governments (SEDA-COG):

"Centre County will make every effort to make all programs and activities accessible to the learning, mobility, visually, hearing, and language-impaired persons. Therefore, if you are a person with a disability and require an auxiliary aid, services, or accommodations to participate, please contact Leslie Hosterman at SEDA-COG, 201 Furnace Road, Lewisburg, PA 17837, (570) 524-4491, or 1-800-332-6701, to discuss how Centre County can best accommodate your needs. Translators will be available at public meetings upon request."

These needs may be related specifically to a CDBG activity or may be related to Centre County's facilities or programs. SEDA-COG will then work cooperatively with Centre County and Centre County's 504 Compliance Officer, Krista Davis, to address and resolve these concerns.

2. During the public hearing, the public will be invited to identify facilities or programs for which access is a problem or a concern. This will be done as part of the discussion of eligible activities for the CDBG Program, providing the public an opportunity to identify projects which may or may not be eligible for CDBG funding, but represent a need for modifications of Centre County's facilities or programs, including Bellefonte Borough.
